

MINUTES FOR THE “READS-TO-GO” STEERING COMMITTEE

Monday, April 23, 2007 10:00 AM
Local Government Center, Concord NH

In attendance: Amy Thurber (co-chair), Claudia Mayer (co-chair), Sara Basbas, Diane Mayr, Tricia Ryden, and Diane Gilson.

Minutes of March meeting were read and accepted.

Tricia distributed the Power Point presentation for the conference. She is planning to transfer it to a memory stick and download it to a laptop at the conference. Amy T. will bring a laptop in for the next meeting. Diane G. said she would bring hers also as a backup.

Diane M. showed the buttons for the conference. Claudia will put the READS logo inside.

Book plates: It was decided to order the book plates that were slightly higher in price, as the rolls were perforated and the supplier had provided a sample, which his competitor did not.

Claudia presented the posters. There were a few minor changes made, and it was decided to offer a smaller version also that would be available online.

The group did a read-through of the script submitted by Amy F. It was agreed that the song should be to the tune of the Mickey Mouse Club Theme. Some minor changes were made and the roles were cast, based on when the participants would be at the conference.
