

# MINUTES FOR READS-TO-GO STANDING COMMITTEE DRAFT

Monday, January 28, 2008 10:00 AM  
Local Government Center  
Concord, NH

In attendance: Diane Mayr (chair), Claudia Mayer, Arlene Letourneau, Diane Gilson.

Called to order at 10:10 AM. Diane G. agreed to resume as secretary. It was noted that many of the NHUPAC records for the kits have duplicate holdings, suggesting that some libraries have added their names in error.

Claudia suggested something be included in the NHLA newsletter for R-T-G, such as the 5 new titles for the year, criteria, and requests for new title suggestions.

It was noted that there have been some requests for contact phone numbers as well as e-mail addresses on the main list.

Arlene went over some desired changes to the R-T-G website. As the current webmaster is reluctant to make changes, it was decided that the committee would seek out someone else if he refused to make any changes.

Diane M. presented a number of e-mails offering multiple copies of assorted titles, none of which were accepted by the committee. A discussion followed regarding the 5 titles selected for this year and whether some should be changed. A number of new titles were suggested, but no consensus was reached.

As of this date, the following supplies were available: 14 bags, 12 paper binders, 249 book plates.

## ACTION LIST:

Arlene: Add phone numbers to contact list (with Claudia). Continue revising website.
